Will Likely Eliminate It and Caberet Shows from Their Cafes.

COMES UP AT NEXT CONGRESS

Rome Miller Declares Them Both Demoralizing and Objectionable and Chicago Convention Will So Act.

Cabaret entertainments and tango probably will be frowned upon by the national congress of hotel men, according to Rome Miller. He is chairman of idents of all the hotel men's associations of the country. He has just issued the call for the semi-annual meeting, to be held at the Great Northern hotel in Chicago, January 30 and 31.

"I expect the congress will go on record against cabarets and tango parties in hotels as being irrelevant to the hotel business and demoralizing and objectionable to the public and regular hotel patrons," said Mr. Miller today.

'In my opening address before the congress, I shall discuss the matter from assurances that the hotelmen as a body ings. will support me. "Letters have come to me, which show
